Washington, D.C. 20540

Dear Jack:

The Agency is pleased to respond to your request for assistance in your program of acquainting your students with various career fields.

A number of qualified individuals have volunteered to talk to the students about their professions, the academic preparation required, and opportunities. They will not discuss the Agency as such; however, we can, if you are interested, work out arrangements to bring your students over to the Agency for a general briefing.

Currently, we are prepared to present talks on the following fields:

<u>Subject</u>	<u>Participant</u>	<u>Academic Credentials</u>
Physics	R&D Physicist	Phd
Electronics	Electronics Engineer	B.S. Physics, B.S., M.S. EE
Systems Engineering and ADP	Two Senior Systems Engineers	Each has M.S. in Computer Science
Psychology	Psychologist (Perception) Psychologist (Personal assessment and Human Factors)	Phd Phd
Linguistics	Manager from Foreign Broadcast Information Service	B.A. Philosophy Graduate School Naval War College
Engineering	Mechanical Engineer	M.S. M.E.

<u>Subject</u>	<u>Participant</u>	<u>Academic Credentials</u>
General Medicine	Physician, General Practice	M.D.
Psychiatry	Physician, Psychiatrist	M.D.
Law	Attorney	B.S.E, LLB

Additionally, we can provide professionals to speak about other career fields among which are:

Economics  
Political Science  
Geography and Area Specialities  
Cartography, Geology, Geodesy  
Journalism, English  
Library Science  
Chemistry

You might want to survey your students to see which of the above, or other areas, would be of interest to them, and we will schedule speakers accordingly.

Sincerely,

Career Development Officer
